

APPLICATIONS FOR LEAVE

TO ENTER AND REMAIN, INDEFINITE LEAVE TO REMAIN AND BRITISH NATIONALITY

We assist with the full spectrum of UK immigration applications from leave to enter (visas for entry to the UK), leave to remain (extension applications), indefinite leave to remain (applications to remain in the UK permanently) and British nationality (applications to become a British national). We also assist with applications submitted under the existing EC regulations for nationals of EEA member states (as well as Swiss nationals) and their family members.

We typically offer **fixed fees** for this type of work ranging from £500 to £8,000 (excluding VAT) depending on the circumstances and complexity of your case. Such factors will include:

- Your personal circumstances including your immigration history
- The amount of supporting evidence that we need to consider
- Which language(s) you speak
- Whether you are applying with dependants

The work will involve:

- Discussing your circumstances in detail and confirming whether this is the most appropriate application for you to make and what other options may be available to you
- Giving you advice about the requirements of the Immigration Rules and whether you meet the criteria
- If you do not fulfil certain criteria, whether this can be overcome and how

- Considering the supporting evidence you have provided
- Where necessary, helping you to obtain further evidence (such as medical records and bank statements), including taking statements of any witnesses
- Preparing your application and submitting it on your behalf
- Attendance at a Home Office interview if required
- Giving you advice about the outcome of the application and any further steps you need to take

Disbursements (costs payable to third parties not included in the range of fees set out above) include:

- Home Office fees for making the application <https://www.gov.uk/government/publications/visa-regulations-revised-table/home-office-immigration-and-nationality-fees-2018>
- Interpreters' fees (if required)
- Translations from certified translators (if required)
- Agent's fees (if you wish to be accompanied by an agent)
- Courier's fees.

We cannot give you finite timescales as to how long your application will take since the overall processing time will be dependent on the Home Office's capacity to process your particular application. The current processing times are set out here: <https://www.gov.uk/visa-processing-times>
